With Laura Carlsen and Gloria Muñoz Ramírez

February 27 12:00 pm-2:00 pm Chicano Studies Research Center Library
144 Haines

Find out about the Mexico that the mainstream media hides
What’s happening?
How are citizen organizations responding?
What does it mean for the U.S. and the connections with the U.S. public?

Laura Carlsen (political analyst and writer in Mexico) and Gloria Muñoz (Director of a grassroots movement magazine) will discuss the situation, from above—national politics and regional geopolitics—and from below—grassroots responses and resistance.
